THE STYLE BOUTIQUE IS OPEN FOR BUSINESS

Have you bought anything at stylehotlist.com yet? It's our brilliant new online shop selling the best current-season pieces by designer brands such as Jonathan Saunders, Opening Ceremony and Helmut Lang, and if that's not exciting enough, we're offering up to 20% off key pieces (embarrassingly generous, we know).

To celebrate the online launch, we've also opened a pop-up shop. Come and see us at 9 Mercer Street, in St Martin's Courtyard, right in the heart of London's Covent Garden. We've curated a cool, industrial-style space and packed it with must-have clothing, accessories and gifts from brands such as Thakoon, Hugo and Sass & Bide.
